

ASX / MEDIA RELEASE

31 October 2024

Hon. Undersecretary of Omani Ministry of Energy and Minerals visits Wash-hi mine

Perth, Australia: Alara Resources Limited (ASX: AUQ), a base and precious metals producer and developer with projects in Oman, is pleased to announce the visit of His Excellency Mohsen Al Hadhrami, Honourable Undersecretary of the Omani Ministry of Energy and Minerals, His Excellency Mahmood Al Dhihli, Honourable Governor of Sharqiyah and His Excellency Saud Al Hanai, Honourable Wali of Al Mudhaibi, along with several senior Government officials to its Wash-hi copper gold mine.

During the visit the dignitaries visited the mining pit, the copper concentrate plant and the on-site laboratory. The Alara team also briefed His Excellency the Undersecretary on the history, status and prospects of Alara's projects in the Sultanate.

The Oman Ministry of Energy and Minerals has recognised the highest health, safety and environmental standards and statutory compliance record at the Al Wash-hi Majaza copper-gold project and designated it as the pilot project to formulate reporting protocols for the mining industry in the country.

About Alara Resources

Alara Resources Limited (ASX: AUQ) is an Australian-based precious and base metals explorer and developer.

Alara is currently focused on developing the Al Wash-hi Majaza Copper-Gold project in Oman, where it is managing the copper-gold mining and processing facilities. The Company is also seeking to continuing exploration activities at its other Oman projects such as the Block 7 exploration licence under the Daris JV and the Mullaq and Al Ajal exploration licences under the Al Hadeetha JV, Block 8 exploration license under the Awtad-Power Metal JV and recently awarded concessions over Block 22B in Oman.

Alara's mission is to become a mid-tier minerals producer which will deliver maximum shareholder value through profitable growth driven by low-cost, sustainable operations.
