EXPLANATORY STATEMENT

This Explanatory Statement is provided to the shareholders of Alara Uranium Limited pursuant to and in satisfaction of the Corporations Act 2001 (Cth) and the ASX Listing Rules. This Explanatory Statement is intended to be read in conjunction with the Notice of General Meeting.

1. RESOLUTION 1 – ISSUE OF OPTIONS TO EMPLOYEES

Resolution 1 seeks shareholder approval for the Company to grant a total of 1,425,000 options to its employees (and employees of the Company's controlled entities). Each option is to be issued on the same terms, including:

1. at an exercise price equal to the greater of \$0.55 or 150% of the VWAP of the Company's shares on ASX in the 5 trading days leading up to (and excluding) the issue date (rounded down to the nearest whole cent);
2. after they have vested, exercisable at any time on or before 5 years from the date of issue (**option expiry date**).
3. the options will vest as follows:
 - (a) one-third of the options issued to each employee will vest at the date being 6 months after their date of issue (which options may therefore be exercised at any time thereafter and prior to the option expiry date);
 - (b) one-third of the options issued to each employee will vest at the date being 12 months after their date of issue (which options may therefore be exercised at any time thereafter and prior to the option expiry date); and
 - (c) one-third of the options issued to each employee will vest at the date being 18 months after their date of issue (which options may therefore be exercised at any time thereafter and prior to the option expiry date).
4. the options will lapse immediately upon the occurrence of any of the circumstances described below:

Where options are vested and therefore able to be exercised

- (a) Upon their expiry date
- (b) Upon determination by the Board that the employee has acted fraudulently, dishonestly or in breach of his obligations to the Company
- (c) Upon the employee ceasing to be an employee of the Company (for whatever reason including by retrenchment, redundancy or retirement) and has not exercised the option within thirty days following that event (unless a longer period is otherwise determined by the Board)
- (d) 6 months after the death, permanent illness or permanent physical or mental incapacity of an employee (unless a longer period is otherwise determined by the Board)

Where options are not vested (and therefore unable to be exercised)

- (a) Upon their expiry date
- (b) Upon determination by the Board that the employee has acted fraudulently, dishonestly or in breach of his obligations to the Company
- (c) Upon the employee ceasing to be an employee of the Company (for whatever reason including by retrenchment, redundancy or retirement)
- (d) Upon the death, permanent illness or permanent physical or mental incapacity of an employee

-
5. otherwise on the terms and conditions set out in Annexure A to the Explanatory Statement accompanying this Notice.

The reasons for the grant of these options to Alara employees are as follows:

- The proposed options issue is designed to act as an incentive for the Company's employees to strive to achieve the Company's goals with the aim of enhancing shareholder value.
- The options (structured as described above) provide an equity holding opportunity for each employee which is linked to the Company's share price performance.
- Based on the option exercise price and the rate at which the options vest, the exercise of these options by the employees is only likely to occur if there is sustained upward movement in the Company's share price.
- The number of options to be issued to the Company's employees has been determined having regard to the level of salaries being received by the employees and is a cash free, effective and efficient way of providing an appropriate level of employee remuneration as well as providing ongoing equity based incentives for the employees to remain with the Company with a view to improving the future growth of the Company.
- As a relatively junior exploration company with much of its available funds dedicated or committed to its resource projects (and also in seeking opportunities in relation to the same) and in financing its day to day working capital requirements, the Company is not always in a position to maintain competitive cash salary ranges for its employees within the industry in which it operates.

Whilst prior shareholder approval (under ASX Listing Rule 7.1) is not required for the issue of these options to the employees, the effect of their issue is to reduce the Company's capacity to issue additional securities in the future without prior shareholder approval under ASX Listing Rule 7.1.

The Company wishes to seek prior approval under ASX Listing Rule 7.1 so as not to restrict the Company's capacity to issue up to 15% of the securities of the Company on issue in a 12 month period under ASX Listing Rule 7.1.

In accordance with the requirements of ASX Listing Rule 7.3 the following additional information is provided:

- (a) A maximum number of 1,425,000 options are proposed to be issued in total to the following employees of the Company and controlled entities;
 - (i) Jerko Peter Zuvela (Exploration Manager) – 250,000 options;
 - (ii) Cherie Louise Leeden (Project Geologist) – 150,000 options;
 - (iii) Deny Martín Bayona Peláez (Technical Manager, Peru) – 500,000 options;
 - (iv) Victor Poh Hong Ho (Company Secretary) - 500,000 options; and
 - (v) Carole Chau Yueh Lee (Group Accountant) – 25,000 options.
- (b) the exercise price for each option is to be set at a price equal to the greater of \$0.55 or 150% of the VWAP of the Company's shares on ASX in the 5 trading days leading up to (and excluding) the issue date (rounded down to the nearest whole cent).

The table below outlines some scenarios in this regard:

If AUQ VWAP was:	Exercise Price would be:	Maximum funds raised on exercise of all options will be:
\$0.35	\$0.55	\$783,750
\$0.40	\$0.60	\$855,000
\$0.50	\$0.75	\$1,068,750
\$0.60	\$0.90	\$1,282,500

- (c) each option is exercisable at any time on or before 5 years from the date of issue (subject to one-third of the options being unable to be exercised until 6 months after their date of issue, one-third of the options being unable to be exercised until 12 months after their date of issue and one-third of the options being unable to be exercised until 18 months after their date of issue);
- (d) the options will be issued for nil consideration and no funds will be raised from the issue;
- (e) The options will be issued no later than three (3) months after the date of this General Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules);
- (f) the options will not be quoted on ASX; and
- (g) the shares issued upon exercise of the options will be ordinary fully paid shares issued on the same terms and conditions as the shares currently on issue by the Company. The Company will seek quotation of these shares on ASX.

The Company will disregard any votes cast on Resolution 1 by the employees named in Resolution 1, or any associate of the named employees, who will be prohibited from voting as described in the voting exclusion statement within the Notice of General Meeting.

All Directors recommend that shareholders vote in favour of approving Resolution 1, for the reasons set out in this Explanatory Statement.

2. RESOLUTION 2 – DIRECTOR’S DEEDS

Resolution 2 seeks shareholder approval for the purposes of Part 2E of the Corporations Act for the entry by the Company into a deed with each of its Directors to regulate certain matters between the Company and each Director, both during the time the Director holds office with, and after the Director ceases to be an officer of, the Company (or its wholly owned subsidiaries) (the **Deed**).

These matters are outlined in more detail below but principally relate to access to board papers and other Company information, the costs of obtaining independent professional advice to assist the Director in the proper exercise of powers and discharge of duties as a Director of the Company, liability incurred by Directors and the payment of legal costs where Directors are involved in legal proceedings for, on behalf of or against the Company and the provision of directors indemnity insurance.

Some of these matters are already dealt with by the Corporations Act, but the Deed the subject of this resolution are more detailed and comprehensive and extend the matters dealt with by the Corporations Act as outlined below.

The Company notes that it is not unusual for directors of a company to be granted the protection conferred by the Deed. The Company has previously entered into a Deed with each of its current Directors (dated 29 March 2007). However, as the Company understands that it requires related party approval in order to give certain benefits under the Deed, the Company and each of its current Directors have agreed to terminate the existing Deeds with effect as from and including the date of this General Meeting and, if this resolution is approved by

shareholders, the Company will enter into a new Deed with each of its current Directors after that date.

The Company also notes that, in the event that member approval is not obtained in accordance with this resolution, the Company proposes to enter into a modified form of the Deed with each of its Directors which would not require shareholder approval.

The Company considers that the Deed complies with the provisions of Part 2D.2 of the Corporations Act (which sets out certain limitations on the scope of indemnities and insurance which may be effected by companies for their directors).

By the Deed:

1. the Company is to retain, and the Director is granted access to, Board papers and company books (subject to confidentiality and privilege) both while the Director is a director of the Company and after the Director ceases to hold office, for the purposes expressly permitted by the Deed (clause 2);
2. the Company is required (to the extent permitted by the Corporations Act) to indemnify the Director against:
 - 2.1 any liability incurred by the Director (before or after the date of entry into the Deed) as an officer of the Company or as an officer of a Relevant Entity (ie, a wholly owned subsidiary of the Company);
 - 2.2 legal costs which the Director pays or becomes liable to pay in defending or resisting legal proceedings for a liability incurred as an officer of the Company or as an officer of a Relevant Entity or in seeking relief from such a liability under the Corporations Act; and
 - 2.3 legal costs which the Director pays or becomes liable to pay in connection with any legal proceeding of an official person relating to the Company or a Relevant Entity which involves the Director because of his present or former capacity as an officer of the Company or Relevant Entity (clause 4);
3. subject to the terms of the Deed and the Corporations Act, the Company is permitted, at the request of the Director and on such terms as it thinks fit, to advance monies to the Director to meet any costs or expenses of the Director incurred in circumstances relating to the indemnities provided under the Deed and prior to the outcome of a legal proceeding. The Company cannot make such an advance to a Director in respect of legal costs incurred in a legal proceeding initiated by the Company against the Director. Advances must be repaid by the Director once the outcome of the legal proceeding is known, but may be set-off by indemnities from the Company (where permitted by the Deed and the Corporations Act) (clauses 6.2 and 6.3);
4. the Company must (subject to the Corporations Act) use its best efforts to ensure that, so far as practical (having regard to the cost of coverage and its availability), the Director is insured under a directors' and officers' insurance policy against liability incurred as an officer of the Company or of a Relevant Entity (**D & O Policy**) for the period that each director is a Director of the Company and for 2 years after that Director ceases to hold office, and to pay the insurance premiums on that D & O Policy (clause 7);
5. the Company must reimburse the Director for the reasonable expense of obtaining independent professional advice to assist the Director in the proper exercise of powers and discharge of duties as a Director of the Company (clause 9);
6. the Company's and Director's rights and obligations in respect of confidential information, legal proceedings against the Director, disclosure of director's benefits and notifiable interests, and related party benefits.

The above is a summary of the main terms and conditions of the Deed only, and a complete copy of the Deed may be inspected at the Company's registered office.

Clause 49.1 of the Company's constitution provides that, to the extent permitted by the Corporations Act and subject to the terms of the Company's constitution, the Company may indemnify every person who is or has been an officer of the Company and, where the board of directors considers it is appropriate to do so, any person who is or has been an officer of a related body corporate of the Company, against any liability incurred by that person in his or her capacity as an officer of the Company or of the related body corporate (as the case may be).

Further, by clause 50.1 of the Company's constitution the Company may pay or agree to pay a premium in respect of a contract insuring a person who is or has been an officer of the Company or a related body corporate of the Company against any liability incurred by the person as an officer of the Company or a related body corporate except a liability (other than one for legal costs) arising out of conduct involving a wilful breach of duty in relation to the Company or a contravention of sections 182 or 183 of the Corporations Act.

The rights of indemnity and insurance to be granted to the Directors under the Deed are consistent with the Company's Constitution.

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties by a public company. Relevantly, section 208(1) of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the public company unless the public company obtains the approval of the public company's shareholders in accordance with the Corporations Act and the benefit is given within 15 months after the approval, or the giving of the benefit falls within an exception set out in the Corporations Act.

The Deed may confer a financial benefit on a Director of the Company (who is a related party of the Company) as outlined below. Thus, shareholder approval will be required to enter into the Deed, unless the giving of the benefit falls within an exception set out in the Corporations Act. Relevantly, sections 212(1) and (2) of the Corporations Act provide that shareholder approval is not needed to give a financial benefit if:-

1. the benefit is for a related party who is an officer of the public company (eg, a director); and
2. the benefit is:-
 - 2.1 an indemnity, exemption or insurance premium in respect of a liability incurred as an officer of the public company or entity that the public company controls (or an agreement to give an indemnity or exemption or to pay an insurance premium of that kind); or
 - 2.2 the making of, or an agreement to make, a payment in respect of legal costs incurred by the officer in defending an action for a liability incurred as an officer of the public company or entity that the public company controls and section 199A does not apply to the costs (or, if section 199A does apply to the costs, the director must repay the amount paid if the costs become costs for which the company must not give the officer an indemnity under that section); and
3. to give the benefit would be reasonable in the circumstances of the public company or entity giving the benefit.

The Company considers that the obligations imposed on the Company under the Deed in relation to the directors' and officers' insurance (clause 7) and the giving of the indemnities against liabilities and legal costs (which the Director becomes liable to pay in defending legal proceedings for liabilities incurred by the Director as an officer of the Company or of a Relevant Entity) (clause 4) fall within the scope of the exceptions set out in sections 212(1) and (2) of the Corporations Act.

However, the Deed may confer on a Director financial benefits which go beyond those referred

to in sections 212(1) and (2) of the Corporations Act. For example, the obligation imposed on the Company by clause 9.1 of the Deed to reimburse the Director for his or her reasonable expenses of obtaining independent professional advice to assist the Director in the proper exercise of powers and discharge of duties as a Director of the Company will confer a financial benefit on the Company but is not within the scope of the exceptions set out in sections 212(1) and (2) of the Corporations Act. Financial benefits of this nature may, or may not, actually be provided by the Company to its directors.

Section 208(2) of the Corporations Act provides that if:

- (a) the giving of the benefit is required by a contract;
- (b) the making of the contract was approved by the public company's shareholders in the manner set out in the Corporations Act as a financial benefit given to the related party; and
- (c) the contract was made within 15 months after that approval, or before that approval if the contract was conditional on the approval being obtained,

shareholder approval for the giving of the benefit is taken to have been given and the benefit need not be given within 15 months.

Accordingly, the Company seeks shareholder approval to enter into a Deed with each of the current directors of the Company, being John Stephenson, Hem Shanker Madan and Farooq Khan, which approval will authorise the Company to give to these Directors financial benefits to which they may at any time be entitled under the Deed. If this resolution is passed, the Deed will be entered into with these Directors as soon as practicable thereafter.

The following information is provided for the purposes of the Corporations Act, in particular section 219 of the Corporations Act:

1. the related parties to whom the financial benefits will be given if this resolution is passed is each of the current directors of the Company, being John Stephenson, Hem Shanker Madan and Farooq Khan;
2. the nature of the financial benefits to be given to the Directors of the Company are those contemplated by the Deed (the terms of which are summarised above), and include an indemnity against liabilities and legal costs, payment of insurance premiums and payment of costs of obtaining independent advice. The Company is unable to quantify its potential exposure under the Deed, as it does not know, for example, whether it will ever be called upon to indemnify a Director for a liability within the scope of the Deed, or the quantum of any such liability. There is no cap on the Company's obligation to reimburse directors for the cost of independent professional advice which they obtain;
3. each Director of the Company declines to make a recommendation to members about this resolution because of the interest which they have in the passage of the resolution;
4. each Director of the Company has an interest in the outcome of this resolution. If this resolution is passed and the Company is authorised to enter into a Deed with each Director, the Director will gain the rights and benefits set out in the Deed (for example, a right of indemnity, payment of insurance premiums on a D & O Policy in their favour, reimbursement of costs of independent advice);
5. the Company does not consider that there is any other information which would reasonably be required by members in order to decide whether or not it is in the Company's interests to pass this resolution and which is known to the Company or to any of its directors.

The Company will disregard any votes cast on Resolution 2 by the Directors, or any associate of the Directors, who will be prohibited from voting as described in the voting exclusion statement within the Notice of General Meeting.

3. RESOLUTION 3 – ISSUE OF OPTIONS TO DIRECTORS

3.1. Background

Resolution 3 seeks shareholder approval for the Company to grant a total of 18,550,000 options to its three Directors. Each option is to be issued on the same terms, including:

1. at an exercise price equal to the greater of \$0.55 or 150% of the VWAP of the Company's shares on ASX in the 5 trading days leading up to (and excluding) the issue date (rounded down to the nearest whole cent);
2. after they have vested, exercisable at any time on or before 5 years from the date of issue (**option expiry date**).
3. the options will vest as follows:
 - (a) 50% of the options issued to each Director will vest at the date of issue of the options (which options may therefore be exercised at any time prior to the option expiry date); and
 - (b) 50% of the options issued to each Director will vest at the date being 12 months after their date of issue (which options may therefore be exercised at any time thereafter and prior to the option expiry date).
4. the options will lapse immediately upon the occurrence of any of the circumstances described below:

Where options are vested and therefore able to be exercised

- (a) Upon their expiry date
- (b) Upon determination by the Board that the Director has acted fraudulently, dishonestly or in breach of his obligations to the Company

Where options are not vested (and therefore unable to be exercised)

- (a) Upon their expiry date
- (b) Upon determination by the Board that the Director has acted fraudulently, dishonestly or in breach of his obligations to the Company
- (c) Upon the Director ceasing to be a director of the Company (for whatever reason including by retrenchment, redundancy or retirement) and has not exercised the option within thirty days following that event (unless a longer period is otherwise determined by the Board)
- (d) 6 months after the death, permanent illness or permanent physical or mental incapacity of a Director (unless a longer period is otherwise determined by the Board)

5. otherwise on the terms and conditions set out in Annexure B to the Explanatory Statement accompanying this Notice.

The reasons why the Company is proposing to grant these options to its Directors are as follows:

- The proposed options issue is designed to act as an incentive for these Directors to strive to achieve the Company's goals with the aim of enhancing shareholder value.

- The options (structured as described above) provide an equity holding opportunity for each Director which is linked to the Company's share price performance.
- Based on the option exercise price and the rate at which the options vest, the exercise of these options by the Directors is only likely to occur if there is sustained upward movement in the Company's share price.
- The number of options to be issued to the Directors has been determined having regard to the level of Directors' salaries/fees being received by the Directors and is a cash free, effective and efficient way of providing an appropriate level of Directors' remuneration as well as providing ongoing equity based incentives for the Directors to remain with the Company with a view to improving the future growth of the Company.

The current level of annualised Directors' salaries/fees being received by the Directors is as follows:

Director	Office Held	Gross salary/fees per annum ¹
John Stephenson	Non-Executive Chairman	\$40,000
H. Shanker Madan	Managing Director	\$150,000
Farooq Khan	Executive Director	\$150,000

- As a relatively junior exploration company with much of its available funds dedicated or committed to its resource projects (and also in seeking opportunities in relation to the same) and in financing its day to day working capital requirements, the Company is not always in a position to maintain competitive cash salary ranges for its Directors within the industry in which it operates.

4.2 A Related Party Transaction under Chapter 2E Corporations Act

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties by a public company.

Section 208 of the Corporations Act provides that for a public company to give a financial benefit to a related party of that company, the public company must:

- obtain the approval of members in the way set out in Sections 217 to 227; and
- give the benefit within 15 months after the approval.

A "related party" includes a director of a public company.

A "financial benefit" includes a public company issuing securities (including options) to a related party.

The Company is thus seeking shareholder approval for the purposes of Chapter 2E of the Corporations Act to issue options to Directors pursuant to Resolution 3.

In accordance with the requirements of Chapter 2E and in particular Section 219 of the Corporations Act, the following information is provided to allow shareholders sufficient information to determine whether they should approve Resolution 3:

- The related parties to whom Resolution 3 would permit the financial benefit to be given**
 - Non-Executive Chairman, John Francis Stephenson;
 - Managing Director, Hem Shanker Madan; and
 - Executive Director, Farooq Khan.

¹ Excluding employer statutory superannuation obligations

(b) The nature of the financial benefit

If Resolution 3 is passed, the Directors noted above will be granted a total of 18,550,000 options as follows:-

- (1) John Francis Stephenson – 975,000 options;
- (2) Hem Shanker Madan – 8,800,000 options; and
- (3) Farooq Khan – 8,775,000 options.

The options will be granted on the terms and conditions set out in this Explanatory Statement including Annexure B accompanying this Notice.

(c) Directors' Recommendation

All of the Directors were available to consider proposed Resolution 3 but all Directors decline to make a recommendation because each has an interest in the outcome of the resolution.

(d) The Directors' interests in the outcome of the proposed resolution.

Each Director has an interest in the outcome of this resolution as, if the resolution is passed, each Director will be issued with that number of options as is set out opposite their name in paragraph (b) above.

(e) Any other information that is reasonably required by a member to make a decision and that is known to the Company and any of its Directors**(i) Effect of Capital Structure**

If Resolution 3 is passed, the Company will grant a total 18,550,000 options to its current Directors.

As at 20 June 2007, the Company has the following securities on issue:

	Listed on ASX	Not Listed on ASX	Total
Fully paid ordinary shares	40,275,000	40,225,000	80,500,000

If all of the 18,550,000 options proposed to be granted to Directors pursuant to shareholder approval of Resolution 3 are exercised into shares, this would dilute the shareholding of existing shareholders by 18.7% and raise \$10,202,500 cash for the Company (on the assumption that the exercise price is \$0.55² per option in respect of the options the subject of Resolution 3).

If all of the 1,425,000 options proposed to be granted to employees pursuant to shareholder approval of Resolution 1 and all of the 18,550,000 options proposed to be granted to Directors pursuant to shareholder approval of Resolution 3 are exercised into shares, this would dilute the shareholding of existing shareholders by 19.9% and raise \$10,986,250 cash for the Company (on the assumption that the exercise price is \$0.55 per option in respect of the options the subject of Resolutions 1 and 3).

2 The final exercise price will be based on the higher of \$0.55 per share or the VWAP of the shares of the Company in the 5 trading days leading up to (and excluding) the issue date, which may differ from this estimate

(ii) Company's Recent Share Price

The market price of the Company's shares during the exercise period of the options will normally determine whether or not option holders exercise their options. Thus, the options proposed to be granted if Resolution 3 is passed are only likely to be exercised if the Company's shares subsequently trade at a price which is higher than the exercise price.

The Company was admitted to the official list of ASX on 21 May 2007 with the Company's shares commencing trading on ASX on 24 May 2007:

ASX Trading Days	High (\$)	Low (\$)	Last Sale (\$)	VWAP (\$)

20-Jun-07	0.290	0.280	0.285	0.285

The exercise price of the options the subject of Resolution 3 will be the greater of \$0.55 or 150% of the VWAP of the Company's shares on ASX in the 5 trading days leading up to (and excluding) the issue date (rounded down to the nearest whole cent); the final exercise price will be based on the Company's VWAP in the 5 trading days leading up to (and excluding) the issue date.

If the options the subject of Resolution 3 were to be issued on 21 June 2007, the exercise price as determined under the formula within Resolution 3 would be \$0.55 per option.³

(iii) Directors' Relevant Interest in Securities of the Company

The Directors' relevant interest in securities of the Company as at 20 June 2007 are as follows⁴:

John Stephenson	180,000 ⁵
H. Shanker Madan	184,983 ⁶
Farooq Khan	8,665,699 ⁷

3 As 150% of the VWAP between 14 and 20 June 2007 (\$0.295) is \$0.442, which is lower than \$0.55

4 As disclosed in each of their Directors' Interest Notices lodged with ASX

5 Held jointly: John Francis Stephenson & Susan Margaret Franklin <Stephenson Franklin FMY A/C>

6 Held jointly: Mr Hem Shanker Madan & Mrs Anupam Shobha Madan <The AS and HS Madan S/F A/C>

7 Held indirectly: Mr Khan is deemed under the Corporations Act to have a relevant interest in 8,485,699 shares held by Orion Equities Limited (**OEQ**) as Mr Khan has a greater than 20% interest in Queste Communications Ltd (**QUE**), which is deemed to be in control of OEQ, and 180,000

(iv) Valuation of Options

The Directors consider, on the basis of the calculation methodology set out below, that the options to be granted pursuant to Resolution 3 (if passed) will have an indicative value of ~\$0.116 per option.

This valuation has been calculated using the Black-Scholes option pricing model applying the following assumptions:

- (a) The Company's share price being \$0.295 per share (which was the VWAP of AUQ shares between 14 and 20 June 2007);
- (b) A risk free rate of return of 6.345% (based on the closing Commonwealth 5 year bond rate as at 20 June 2007).
- (c) An estimated future volatility of the Company's share price of 70%.
- (d) In calculating the indicative value of options, the Board has applied a discount rate of 25% of the value of the options. The discount rate of 25% was derived after considering the fact that the options will be unlisted, will vest in tranches and has restrictions on transfer by the option holder.

The indicative valuation has assumed that the issue date of the options was 21 June 2007. The valuation may not be a representative valuation of the options at the proposed date of issue (expected to be as soon as practicable after the date of this General Meeting upon Resolution 3 receiving shareholder approval and in any event, no later than one month thereafter (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules)).

The Company will disregard any votes cast on Resolution 3 by the Directors, or any associate of the Directors, who will be prohibited from voting as described in the voting exclusion statement within the Notice of General Meeting.

Neither the Directors nor the Company are aware of any other information that would reasonably be required by shareholders to make a decision in relation to the financial benefits contemplated by Resolution 3, other than as set out in this Explanatory Statement.

4.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 requires a listed company to obtain approval of the shareholders of the company prior to the issue of securities to a related party of the company. As the Directors are each a related party of the Company, shareholder approval under ASX Listing Rule 10.11 is sought for Resolution 3.

The following information is provided to shareholders for the purpose of ASX Listing Rule 10.13:

- (1) the options will be granted to each of the Directors named above.
- (2) a total of 18,550,000 options will be granted to the Directors in the proportions set out above, and in each case on the terms and conditions set out in Annexure B to the Explanatory Statement;

shares held by Skills Advantage Australia Limited (SAA), as Mr Khan has a greater than 20% interest in SAA.

- (3) the options which are the subject of Resolution 3 will be granted to the Directors on a date no later than one month after the date of this General Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated that all of the options will be granted on the same date;
- (4) the options will be granted to the Directors for no consideration – and otherwise on the terms and conditions set out in Annexure B to the Explanatory Statement;
- (5) no funds will be raised by the grant of options pursuant to Resolution 3.
- (6) By virtue of Exemption 14 of ASX Listing Rule 7.2, shareholder approval pursuant to Listing Rule 7.1 is not required in order to issue the options the subject of Resolution 3 as shareholder approval is being obtained under ASX Listing Rule 10.11.

4. RESOLUTION 4 – NON-EXECUTIVE DIRECTOR REMUNERATION

The Board determines the remuneration structure of all directors and executive officers having regard to the Company's nature, scale and scope of operations and other relevant factors, including the frequency of Board meetings, length of service, particular experience and qualifications.

Resolution 4 seeks shareholder ratification and approval for the total amount of fees payable to directors (save for remuneration to Executive Directors including the Managing Director) being set at a maximum of \$175,000 per annum.

Shareholders of the Company have approved the setting of this limit at a general meeting held on 19 March 2007. The Directors have determined to seek ratification and approval from its post listing shareholders.

The Company notes that this is an upper limit on the maximum aggregate remuneration payable to Non-Executive Directors; the Board determines the amount of remuneration payable to each such director within such aggregate limit.

The current level of annualised Directors' salaries/fees being received by the Non-Executive Directors is as follows:

Non-Executive Director	Office Held	Gross salary/fees and employer superannuation per annum
John Stephenson	Non-Executive Chairman	\$43,600

The Company also notes that pursuant to the Company's constitution, each Director is also entitled to receive:

- (1) Payment for travelling and other expenses properly incurred by a Director in attending meetings of the Company or the Board or in connection with the Company's business; and
- (2) Payment for the performance of extra services or the undertaking of any executive or other work for the Company beyond his or her general duties.

7. Notification to Option Holders

The Option Holder will be entitled to receive, and will be sent, all reports, accounts and notices required to be given to the members of the Company but will not be entitled to attend or vote at any meeting of the members of the Company unless they are, in addition to being an Option Holder, members of the Company.

Vested Options may be exercised by the Option Holder completing the Notice of Exercise of Options and forwarding the same to the Secretary of the Company. The Notice of Exercise of Options must state the number of Vested Options exercised and the consequent number of ordinary Shares in the capital of the Company to be issued; which number of Vested Options must be a multiple of 1,000 if only part of the Option Holders total Vested Options are exercised, or if the total number of Vested Options held by an Option Holder is less than 1,000, then the total of all Vested Options held by that Option Holder must be exercised.

11. Participation in New Share Issues

There are no participating rights or entitlements inherent in the Options to participate in any new issues of capital which may be made or offered by the Company to its Shareholders from time to time prior to the Option Expiry Date unless and until the Options are exercised. The Company will ensure that during the exercise period of the Options, the record date for the purposes of determining entitlements to any new such issue, will be at least 9 Business Days after such new issues are announced in order to afford the Option Holder an opportunity to exercise any Vested Options then held by the Option Holder.

12. Change of Options Exercise Price or Number of Underlying Shares

No change will be made to the number of Shares to which the Option Holder is entitled.

12.2 If the Company makes a bonus issue of Shares or other securities convertible into ordinary Shares pro rata to holders of ordinary Shares the number of Shares issued on exercise of each Option will include the number of bonus Shares that would have been issued if the Option had been exercised by the Option Holder prior to the books closing date for bonus Shares. INSTRUCTIONS FOR COMPLETING PROXY FORM

1. Your pre-printed name and address is as it appears on the Company's share register. If this information is incorrect, please mark the box at the top of the proxy form and make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes.
2. Completion of a proxy form will not prevent individual shareholders from attending the meeting in person if they wish. Where a shareholder completes and lodges a valid proxy form and attends the meeting in person, then the proxy's authority to speak and vote for that shareholder is suspended while the shareholder is present at the meeting.
3. A shareholder of the Company entitled to attend and vote is entitled to appoint not more than two proxies. Where more than one proxy is appointed, each proxy must be appointed to represent a specified proportion of the shareholder's voting rights. If the shareholder appoints two proxies and the appointment do not specify this proportion, each proxy may exercise half of the votes.
4. A proxy need not be a shareholder of the Company.
5. If you mark the abstain box for a particular item, you are directing your proxy not to vote on that item on a show of hands or on a poll and that your shares are not to be counted in computing the required majority on a poll.
6. If a representative of a company shareholder is to attend the meeting, a properly executed original (or certified copy) of the appropriate 'Appointment of Corporate Representative' should be produced for admission to the meeting. Previously lodged Appointments of Corporate Representative will be disregarded by the Company.
7. If a representative as Power of Attorney of a shareholder is to attend the meeting, a properly executed original (or certified copy) of an appropriate Power of Attorney should be produced for admission to the meeting. Previously lodged Powers of Attorney will be disregarded by the Company.
