About Alara Resources

Alara Resources Limited (ASX: AUQ) is an Australian headquartered precious and base metals producer and explorer with projects in Oman.

Alara is focused on operating its recently completed Al Wash-hi Majaza copper-gold mine and concentrate plant in Oman, in which it holds a 51% stake through its joint venture company Al Hadeetha Resources LLC. The Company is also continuing exploration activities at its other Omani projects, the

Block 8 exploration license under the Awtad Copper-Power Metal JV, the Block 7 exploration licence under the Daris JV and the Mullaq and Al Ajal exploration licences under the Al Hadeetha JV.

Alara's mission is to become a mid-tier minerals producer which will deliver maximum shareholder value through profitable growth driven by low-cost, sustainable operations.
